

Service Privacy Notice: CERN Alumni

CERN considers it important to collect and process only such personal data as is required for the functioning of the Organization.

CERN is in the process of developing a comprehensive data privacy protection circular which will be made available upon approval. This notice is subject to revision in light of the circular.

Each Service is responsible for compiling its own Privacy Notice regarding the data it processes.

This Privacy Notice details the processing that is unique to this Service. It does not address processing by other services on which this Service may rely and which have their own Privacy Notice.
